Sponsorship Opportunities

Sponsorship opportunities are available for this National Conference Series which focuses on electrical safety, electrical installation codes and legal, medical, and regulatory issues. A good cross-section of the industry will be in attendance taking part in two streams of presentations including keynote addresses and lunch workshops on each day. This is a high profile event that will attract safety professionals, managers, contractors, regulators, designers, engineers and electrical workers.

Become a CONFERENCE SPONSOR – \$1,500

Your company will be recognized prominently:

- in conference literature / delegate package
- on opening presentation slides (all presentations)
- on the conference web site with a one paragraph company profile and link to your company web site.
- at the networking reception
- on an opening and closing "thank you" at the end of the conference.

In addition, one complimentary delegate registration will be available (\$795 value).

And

...we will insert one company-provided promo item in the delegate bag.

Exhibitor Opportunities

Exhibit space is available at the conference. Delegates are focused on electrical safety and installation will be a good opportunity to demonstrate related products and services to this targeted market. The exhibit room is next to the main plenary and there will be time dedicated to exhibit viewing during breakfast, break, and lunch. Please see registration form for full details.

(Optional) EXTRA BONUS VALUE!

Save 35% towards exhibitor booth space by combining a sponsor and exhibitor package.
