

**ANNEX B**  
(November 10, 2003)

**Targeted End Products (Low Voltage Distribution and Control Equipment):**

<u>Category Name</u>	<u>CCN</u>	<u>CSA Class</u>
Automatic Transfer Switches for Use in Emergency Systems - United States	WPWR	3211-81
Automatic Transfer Switches for Use in Emergency Systems – Canada	WPWR7	3211-01
Automatic Transfer Switches for Use in Optional Standby Systems - United States	WPXT	3211-81
Automatic Transfer Switches for Use in Optional Standby Systems – Canada	WPXT7	3211-01
Combination Motor Controllers - United States	NKJH	3211-84
Combination Motor Controllers – Canada	NKJH7	3211-04
Industrial Control Panels - United States	NITW	3211-89
		3211-87
Industrial Control Panels – Canada	NITW7	3211-09
		3211-07
Motor Control Centers - United States	NJAV	3211-84
Motor Control Centers – Canada	NJAV7	3211-04
Non-automatic Transfer Switches - United States	WPYV	4652-84
Non-automatic Transfer Switches – Canada	WPYV7	4652-04
Panelboards - United States	QEUY	4621-81
Panelboards – Canada	QEUY7	4621-01
Power Conversion Equipment - United States	NMMS	3211-86
Power Conversion Equipment – Canada	NMMS7	3211-06
Power Outlets and Power Outlet Fittings - United States	QPYV	6233-83
Power Outlets and Power Outlet Fittings – Canada	QPYV7	6233-03
Switchboards, Dead Front - United States	WEVZ	4621-81
Switchboards, Dead Front – Canada	WEVZ7	4621-01
Switchgear Assemblies, Metal Enclosed, Low-voltage Power Circuit Breaker Type - United States	WUTZ	4641-81
Switchgear Assemblies, Metal Enclosed, Low-voltage Power Circuit Breaker Type – Canada	WUTZ7	4641-01
